

DAV PUBLIC SCHOOL, ACC WADI

SILVER JUBILEE CELEBRATIONS 1986 - 2011 SCHOOL REPORT

I deem it as a pleasure and honour to welcome the august gathering, comprising of our praise worthy parents, adorable students, distinguished gathering, on this auspicious occasion. I am privileged to present a comprehensive School Report.

There is a cause to celebrate this gala fest i.e. **Silver Jubilee Celebrations** of our school, a journey so long and so fulfilling. **August 21st 1986** is a Gold plated day, as on this fossilized day, the seed of DAV was sworn in Wadi which germinated swiftly gaining momentum and spreading the academic aroma in and around Gulbarga District for a span of 25 years.

The school has its humble beginning with a petty number of **9 staff members and 136 students**, which has zoomed to **37 staff members and school strength scaled to 1161** as on date. Our school has won the appreciation, of many dignitaries and today it competes with the best and elite schools. At the onset, I convey my heartfelt applause to my predecessors, who have left no stone untouched to escalate the school to the zenith.

The beauty of short history of our school is a history of achievements which owes a lot to the DAV Management and its stalwarts **Swami Dayanand Saraswati & Mahatma Hansraj**.

DAV College Trust and Management Society established in the year 1885 is the largest non-govt. Educational Organisation in India. The main objective of DAV institutions is to create conducive atmosphere, **to develop the children mentally, physically and spiritually**. This education helps to imbibe them a sense of patriotism and pride in their ancient culture and civilization and instills in them a disciplined outlook, deeply dedicated to the pursuit of knowledge.

True appreciation is rendered to **ACC Management** and its task force who have extended optimum support for reaching this golden milestone. This exhilarating journey was feasible only with patronage of ACC Ltd. Wadi, which is renowned as the largest Cement Factory in Asia. We are indeed making steady strides under the able stewardship of ACC which has fruitfully completed its **Platinum Jubilee Celebrations**.

We are glad that under the tutelage of **Dr. S B Singh [Director Plant ACC Wadi]**, Chairman LMC with his benevolent support and surveillance we have gathered fresh momentum. His unceasing and relentless efforts for the cause of education will always yield rich dividends.

Shri B D Daler ji SR. GM[HR], ACC Wadi and LMC member with his serenity and acceleration has revived our strength.

Smt. Seetha Kiran ji, Regional Director, NATIONAL AWARD RECEIPT, has kindled the luminous DAV tradition of excellence in South. She has fostered and ignited the young minds, with her **3Ps POSITIVE, PASSIONATE & PROACTIVE**. With her dynamic versatility, **she increased the graph of schools in South Zone from 14 to 41**. This proves her distinction in conquering new frontiers. Her extension of tenure as Regional Director for another 3 years has added a tinge of vibrancy to the DAV Institutions.

In these 25 yrs, our school had remarkable credentials. It could be voluminous if achievement feat of our students is recorded spanning these achieving years. The top notch is AMMARA FARZEEN who has represented our country at SEOUL in SOUTH KOREA. She has presented her views at the international Science Camp on **Global Climate changes** and was in lime light for her achievement. She was **guided by Ms. Ratna Kumari, Mr. Gopal Krishna & team of faculty**.

Academic excellence is the touchstone of an educational institution. This was proved by CBSE results, securing 100% in Board Exams in the past years. A total of **49 students** in class X 2011–12 appeared for board examination out of which 19 students scored **A1, 16 - A2, 8 - B1, & 6 - B2**. with a **CGPA of 8.6**.

9 of our students, Pankaj Singh, Rajath Krishna, Vaishnovi Sutrawe, A N S Akhila, and Kshitij Malhotra, Mohammed Shoiab, Swetha, Pooja Bhattcharjee, Siddharth P Anwar achieved CGPA 10.

Similarly in class XII 22 students appeared for Board Exam out of which 9 students obtained distinctions, **12 – I class & 1 – II Class** with a school average of **72.8%**. Kumari Aishwarya T P of class XII attained **89.9%** and proved her mettle. **I am exalted to mention that this year's class X & XII has surpassed all the Board results right from its inception.**

I congratulate and applaud my team of dedicated, experienced and talented teachers who are the harbingers of knowledge for this bounty achievement. Words are insufficient to express my appreciation for their strenuous efforts. The school metamorphosed to reputed institution only due to the meticulous commitment of our teachers.

I am happy to make a note known that Mrs. Ratna Kumari second-in-command & Mr. Vasanth Kumar senior UDC, a ministerial staff have completed 25 years of efficacious service, playing a vibrant role model to the rest of the staff.

Our school is second to none in honing the skills and aiming at the holistic development of the child for sustainable growth. The shift of approach in CCE from **Exam centric to Child centric and from marking system to grading system** has brought a tremendous change in the scenario of education.

Ethical, social attitudes and values, personality development, communication skills, emotional skills are given prime importance, not only to ride the crest but guard against any trough. We aim to develop students into global citizens with global outlook empowering them, with a new perspective to human resource development.

The collaborative and synchronized conglomeration of parent and teacher community can only visualize the **DAVians** as future torch bearers of our country, like Atal Bihari Vajpayee, I K Gujaral, Dr. Manmohan Singh, Mahendra Singh Dhoni, Yuvraj, Kalpana Chawla, Sharuk Khan etc. who are DAV alumni.

Our students zealously participate in all the competitions i.e. in English Elocution, debate, quiz, seminars, dramas, dances, etc. conducted by renowned organizations and clinch the cream positions.

In Mahatma Hansraj Cultural & Literary meet (South Zone) – 2011 our students proved their oratory skills in Declamation in Hindi & English. **Shamita Jain** of class VI secured the first position in English Declamation. Khushbu singh of class X clinched the second position in Hindi Declamation. Aishwarya Sutrawe of class XI & A N S Akhila of class X bagged the first position in Hindi Debate. Deepshika Das of class XI also proved her caliber in Art by wrapping the top spot in Designing Greeting card.

Sports and physical fitness occupy a place of importance in our curriculum not only because they ensure healthy living but also for the positive values that can be instilled in our impressionable learners.

Master APOORVA PATWARDHAN was adjudged as **Best Player in Cluster CBSE Volley Ball Meet 2011**. And the team was declared as Volley Ball champions representing at the National Level. Our school has also been acclaimed as Deccan Devils in Tennis Tournament.

Our enterprising alumni have made an impressive and delible mark in the society as Doctors, Engineers, Defence Services, journalists, Banking, etc. Most of them are well placed in **ACC, ISRO, WIPRO, INFOSYS, IOC, IBM, MAHENDRA SATYAM, DELL, HP, HCL, etc,** and some of them are well settled **abroad** proving that they are **BRAND AMBASSADORS of DAV** in terms of **life & brilliance.**

I am happy to recall that **ACC** has sponsored career counseling programme for class X, XI & XII students to ease them and choose their career by choice and not by chance.

A 3 day program on Training of Trainers (TOT) organized by ACC for **Safe and healthy Students** has instilled the students and parents to give prior importance to health and cleanliness. We are also thankful to ACC Management for extending Medical checkup to all the teachers.

To empower the teachers with paradigm shift in **CCE reforms “Capacity Building of Teachers”** a two day training programme conducted, was monitored by CBSE and piloted by S Chand & Company Ltd.

Pooled participation of Teachers at DAVIIR In-service tele-conference has stimulated the minds and aptitude of the teachers, enabling them to enhance the quality of teaching in all spheres.

Recently a workshop on Preparing Schools for Accreditation by **NIIT - Eguru** was conducted for PRINCIPALS at Safilguda, Hyderabad. Now, it is mandatory for all CBSE schools to go for Accreditation to gauge the standard of the school.

It is needless to say that the **Interactive Class Room [ICR] Boards** prune children’s knowledge amalgamated with our ICT which is **IT-Exelerate** and we are also planning to acquaint and attach you all to gloom clouding which is an information boom to the learners.

Never can we forget the cascading and unprecedented cooperation extended by our parents and well wishers who patronize in every venture of ours. We will kindle the conscience and the consciousness of the children to channelize their talent and help them bloom, disseminating the fragrance far and wide.

untouched heights for which we shall persistently strive for the educational emancipation of our students.

We are indebted to the office heads of all the departments of ACC & its Parivar, who have been helping us in **every step of our achievement.** I would like to

articulate my gratitude to one and all who are directly or indirectly instrumental in our progress.

We are thankful to NIIT for preparing this eye catching Silver Jubilee banner of ours.

Last but not the least I thank the Class IV who are obliging and help us in beautifying our ambience

Thank you one and all.

JAIHIND
